Craig—Thank you very much. Perhaps it is best to send the 2 pager as well. If that works, send along to me and I will get it up to Becky. Thank you all very much, Patrick

Hi, Lynn;

My suggestion is to send the link to our farm and SPCC website which has everything needed. And I think you had the right words for the CERCLA/EPCRA rule.

Here's the link to the website.

http://www.epa.gov/emergencies/content/spcc/spcc_ag.htm

If you think we need more, Troy has updated a 2 pager we used for the previous Ag advisor. Its being reviewed at the moment but we could send that as well. Craig

We just learned that Sarah Bittleman, Agriculture Counselor to the Administrator, is meeting with the Cattlemen tomorrow and is requesting a very brief update on SPCC as it relates to farmers/ranchers and the CERCLA/EPCRA rule. I need this as soon as possible today. Thank you. Becky
